

Grievance, Complaint, and Report Management Policy

Grievance, Complaint, and Report Management Policy

1 Purpose and Basis

ESG

ESG

To ensure the effective operation of the Company's Environmental, Social, and Governance (ESG) management system, genuinely safeguard the legitimate rights and interests of employees and stakeholders, and establish accessible, fair, and confidential grievance and reporting channels, ensuring that all concerns, complaints, or reports related to ESG topics are promptly received, objectively investigated, and effectively remediated, this Policy is hereby formulated.

2 Scope of Application

ESG

This Policy applies to any stakeholder (including but not limited to directors, senior management, all types of employees, service providers, suppliers, partners, customers, community residents, and the general public) of Shanghai Aiko Solar Co., Ltd. and its subsidiaries regarding their grievances, complaints, and reports on ESG topics.

“ ” “ ”

4

Grievance, Complaint and Report Handling

Process

4.1 Receipt and Registration**ESG**

Each directly responsible department (ESG Department, Audit Department, Human Resources Department, Information Security Department, Procurement Department, EHS Department, etc.) shall designate a dedicated person responsible for the daily maintenance of grievance channels, information reception, and preliminary registration.

2

Received grievances and reports shall be registered within 2 working days, and entered into a confidential ledger.

4.2 Acceptance and Assignment

Upon receiving the grievance, complaint, or report materials provided by the reporter, the content shall be promptly studied, and the investigating department shall be confirmed. If it falls under the department's purview, a dedicated person will be assigned to follow

Leading Humanity into the Carbon-Free Era

up on the investigation; if it falls under another department' er

complainant with reasons provided.

4.3 Investigation and Handling

- a. 15
 - b. 30
 - c.
 - d. /
 - e. ESG
- a. General matters: Investigation shall be completed within 15 working days.
- b. Complex matters: With the approval of the department head, the period may be extended to 30 working days, and the complainant shall be informed of the reason for the extension.
- c. Investigation methods: Document review, personnel interviews, on-site observation, data analysis, and when necessary, entrusting third-party professional institutions.
- d. Investigation conclusions: If the matter is substantiated, a

"Grievance/Report Handling Decision Letter" shall be issued, specifying handling measures and rectification requirements. If the matter is unsubstantiated, the basis shall be explained to the named complainant and the investigation shall be terminated. If malicious false accusation is involved, the responsibility of the relevant personnel shall be pursued based on the circumstances.

e. Complex cross-departmental matters: Led by the primary responsible department, a joint investigation team shall be established (which may invite the ESG Department, Legal Department, etc., to participate) to ensure the investigation is comprehensive and objective.

4.4 Results and Feedback

Relevant handling opinions shall be sent to the reported person for final confirmation after management approval. Subsequently, the implementation of the grievance handling results shall be continuously tracked to ensure that the rectification measures and response opinions adopted are effectively executed and that no retaliation occurs.

Internal Disciplinary Violations

Warning, demerit, demotion, termination of labor contract, etc.

Illegal Acts

Transfer to judicial authorities for handling, or seek compensation through legal procedures.

Systemic Deficiencies

Initiate process optimization, training enhancement, and internal control improvement in accordance with the "Corrective Action

duration, etc.) to the ESG Department every six months (by June 30 and December 31) .

24

ESG

Major cases (involving child labor, forced labor, major corruption, mass incidents, etc.) shall be reported to the ESG Department within 24 hours.

ESG

The ESG Department is responsible for preparing an annual statistical analysis report, serving as input for management review, evaluating the effectiveness of the mechanism, and proposing improvement recommendations.

5 Whistleblower Protection

5.1 Encouragement of Reporting

The Company encourages employees, business partners, and other relevant parties to raise questions, seek advice, or report suspected

violations of this Policy in good faith through appropriate channels.

For substantiated major reports, the Company will consider giving recognition or rewards based on the circumstances.

5.2 Confidentiality Principles

a.

b.

c. “ ”

a. Information Segregation: The reporter's identity information and the content of the report shall be registered separately. The reporter's information shall be kept strictly confidential by a person authorized by the directly responsible department and stored securely. Personnel without necessity and specific authorization shall not have access.

b. Scope of Knowledge: The scope of information knowledge during the investigation process shall be strictly controlled, limited only to personnel necessary for the investigation.

c. Material Management: Reporting materials and investigation process documents shall be managed as "confidential." Electronic documents shall have access permissions set, and paper documents

shall be stored in locked filing cabinets.

5.3 Non-Retaliation Commitment

The Company strictly prohibits any organization or individual from engaging in any form of retaliation against reporters, witnesses, or personnel assisting in the investigation (including denial of benefits, performance reduction, dismissal, demotion, threats, harassment, discrimination, and threats to personal safety). The Company has zero tolerance for retaliation. Once λ
